 Chance to associate with a charity for a noble cause

“

The standard of training & content was very high, & was of of great benefit to HRCC. NextTech provided an outstanding level of customer service.

”

- Daniel from Horsham Rural City Council

NextTech Supports Nelly's Healing Centre

NextTech is proud to partner and support Nelly's Healing Centre's mission. They provide disadvantaged Aboriginal women and their families with a holistic & personalised rehabilitation service. We will **donate 2%** of your investment as our contribution towards the wellbeing of these vulnerable communities.
